

CART BUMPER RAIL

1.5" STAINLESS STEEL CART BUMPER RAIL

FenWall's 1.5" Stainless Steel Cart Bumper is a heavy duty welded, (polished and brushed) continuous bumper rail system designed to protect fixtures and walls within a sales area from forceful impacts. One piece curving around columns and other turns are an option when ordering your bumper.

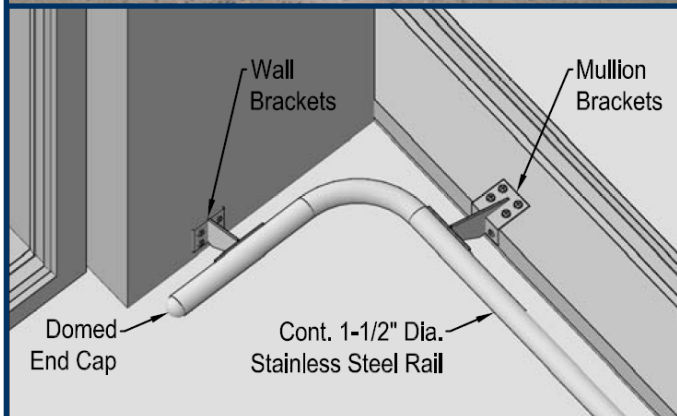

The 1.5" Stainless Steel Cart Bumper fastens quickly to the floor with floor mounts or to walls and columns utilizing wall brackets, and end caps are always included. Bumpers are manufactured from a durable #304 Stainless steel brushed to a #4 finish, adding a professional, "high-end" appearance to any sales area along with protection for valuable assets. Contact FenWall today for more information.

OPTIONAL ACCESSORIES

- Curving
- Floor Mounts
- Wall Mounts

EASY INSTALLATION

- Decide on wall and/or floor mounts
- Attach the floor mounts and/or brackets to the bumper
- Attach the floor mounts and/or brackets to the floor and wall
