

SUNSHADE

ECONO-SUNSHADE

FenWall's Econo-Sunshade is a Pre-Engineered Aluminum Sunshade constructed with ¼" aluminum plate outriggers available in 4" and 6" heights with 4" or 6" airfoil infill between outriggers. Airfoils are attached between outriggers with exposed fasteners.

The Econo-Sunshade is economical and fastens quickly to nearly any structure with custom outrigger brackets (included) and provides immediate shade and architectural enhancements to any building. The Econo-Sunshade is available in your specified color for recognizable and consistent branding for one or many locations. Contact FenWall today for more information.

OPTIONAL ACCESSORIES

- Bullnose Options
 - 3" and 4" Round
 - 12" Tapered

FINISH

- Standard Black, Bronze, White
- Custom Powder Coat

EASY INSTALLATION

- Determine the position and required blocking for the Sunshade
- Fasten the tie back clips into position
- Fasten the outrigger clips to the structure while connecting tie backs to the shade and tie back clips
