

CART BUMPER RAIL

2" REMOVABLE STAINLESS STEEL CART BUMPER RAIL

FenWall's 2" Removable Stainless Steel Cart Bumper Rail is a medium to heavy duty welded, (polished and brushed) component bumper rail system designed to protect fixtures and walls within a sales area, and can quickly be installed and uninstalled when repairing and or changing your fixtures or walls.

The 2" Removable Stainless Steel Cart Bumper Rail utilizes a patented Post Assembly System to quickly fasten to the floor. Post are then inserted into an embedded post assembly receiver. Bumpers are available in stock lengths of 2 ft. to 20 ft. long, in 2 ft. increments. Stock lengths include post assemblies and end caps. Bumpers are manufactured from a durable #304 Stainless Steel Brushed to a #4 Finish, adding a professional, "high-end" appearance to any sales area along with protection for valuable assets. Contact FenWall today for more information.

OPTIONAL ACCESSORIES

- 90 Degree Corners
- 135 Degree Corners
- Custom Sizes
- Extra Post Assemblies

EASY INSTALLATION

- Position the bumper and drill the receiver holes
- Insert the post assembly receivers
- Insert the post assemblies into the receivers
