

BIKE RACK

BAY BIKE RACK

FenWall's Bay Bike Rack is a 1.5" schedule 40 pipe rail Bike Rack with room for 7 bikes. Available in a sturdy surface mount model for a quick and easy attachment to your surface or embedded (core-drilled) for maximum stability.

The Bay Bike Rack is available in #304 stainless steel with a #4 brushed finish or galvanized steel. Contact FenWall today for more information.

OPTIONS

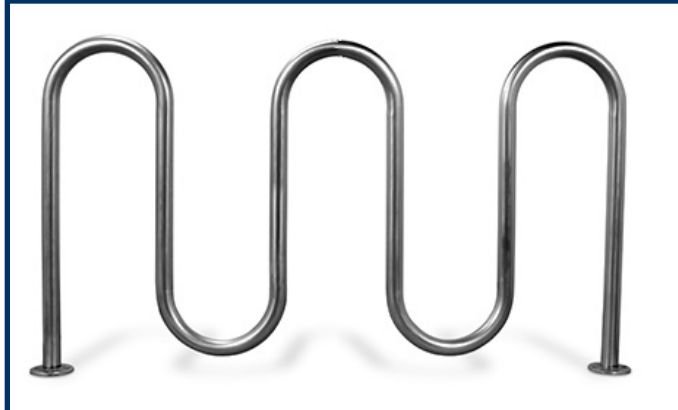

- Embedded
- Surface Mount

FINISH

- Brushed Stainless Steel
- Galvanized Steel

EASY INSTALLATION

- Determine where to install the bike rack
- Core-drill holes for embedded applications, insert pipe and infill with concrete.
- Fasten to the surface through base plates
